Mr. Stiffey wants to know the updates on the chickens? Mr. Stiffey said he heard from the police - DEP - and Code Enforcement and there was no violations found. Supervisor Ligda said if any complaints come into the Twp that the Twp will continue to look into. If anyone has a complaint that the Twp needs to forward it on the the right dept to handle. Mr. Stiffey thinks it is a waste of tax payer money to continue with the complaint with the chickens, only because this issue has come up in the past and nothing can be done.

Mr. Engdly said there was a problemat his mothers home and that he called the police and the police did not show up in December. We asked him to let us know again if this happens.
